

# Professional Profile

## **CINDY CLARK, JD**

Advisor  
Office Services

### **CAREER SUMMARY**

As a graduate of Indiana University's School of Law, Cindy is licensed to practice in the State of Indiana and has developed expertise in the disciplines of property management, zoning, title insurance, and real estate transaction work. Prior to joining Grubb & Ellis | Harding Dahm & Company, Cindy was employed by a privately held real estate development firm and assisted in both the creation and the day-to-day operations of its on site management division, overseeing the operation of a 700± acre residential development, with over 1,600 living units to be constructed at completion. She has operated a small brokerage firm, specializing in high end buyer representation and has served as Assistant Corporate Counsel supervising both the Residential and Commercial Divisions while working in the Title Insurance Industry. Her broad based experience includes document preparation and examination, contract negotiation, vendor and contractor compliance, critical dispute resolution, production of marketing materials, facilities and staff management, real estate sales and marketing. Her extensive experience, combined with her ability to critically assess and negotiate on behalf of others, enables her to assist clients interested in achieving attractive and flexible lease/purchase terms, thereby enhancing her client's position in the marketplace.
